Joe Germano, the 88-year-old Westchester golf legend from the Bonnie Briar Club reminds us of a very unique and fun-filled family event: the First Annual Mini Golf Tournament to benefit the spectacular new Mamaroneck Public Library! The entire family - young and old - are invited to participate in an actual nine hole indoor Mini Golf Tournament on Sunday, July 28th at the Mamaroneck Library from 1 - 5:00. Mr. Germano and his golfing associates have set up an indoor course in the library that will test your golfing skills. Putters will be provided for the entire family. That's Sunday, July 28th, all afternoon from 1 - 5:00 sponsored by Friends of the Mamaroneck Public Library on East Prospect Avenue next to the police station. A great family fun event! Sunday afternoon, July 28th! An indoor golf tournament at the Mamaroneck Library!
